

These files contain data for those sites reporting in 1995.
The files also includes data for Shintech, Inc.

Description of TRI0403.WK4

Column	Description
-----	-----
Epaid	EPA ID
Tri_id	TRI ID
Facility	Facility Name
Address	Facility Address
City	Facility city
Zip	Facility zip code (5 digit)
Parish	Parish Name
Stcofips	State/County FIPS Code
Stcode	State Abbreviation
Longd	Longitude - degrees
Longm	Longitude - minutes
Longs	Longitude - seconds
Latd	Latitude - degrees
Latm	Latitude - minutes
Lats	Latitude - seconds
Accuracy	Estimated accuracy of lat/long value
Method	Method of deriving lat/long value
Scale	Source map scale
Description	Description of the point represented by the lat/long
Verification	Verification performed on lat/long used
R_Long_DMS	Facility reported longitude (degrees, minutes, seconds)
R_Lat_DMS	Facility reported latitude (degrees, minutes, seconds)

The following columns refer to the ~50 sq mile area (4 mile radius):

-----	-----
Pop_50	Total Population
Aapop_50	Total African-American Population
Bave_50	Percent African-American
AA50strat	Ratio of the percent African-American population to the state average (4 mi radius)

The following items refer to the ~12 sq mile area (2 mile radius):

-----	-----
Pop_12	Total Population
Aapop_12	Total African-American Population
Bave_12	Percent African-American
AA12strat	Ratio of the percent African-American population to the state average (2 mi radius)

The following items refer to the ~3 sq mile area (1 mile radius):

Pop_03	Total Population
Aapop_03	Total African-American Population
Bave_03	Percent African-American
AA03strat	Ratio of the percent African-American population to the state average (1 mi radius)

Psic	Primary SIC Code from TRI 95 dBase file
Sum_tot_air	Pounds released to air
Sum_water	Pounds released to water
Air_chems	Number of chemicals released to air
Wtr_chems	Number of chemicals released to water
Parish_pop	Parish Population
Perc_black	African-American Percentage of the Parish
SIC1	SIC1 from TRIS
SIC2	SIC2 from TRIS
SIC3	SIC3 from TRIS
SIC flag	Facility reported one or more of SIC=s 2869, 2812, or 2821
Air_GT0	Total TRI 1995 air releases greater than 0 lb
Air_GT10k	Total TRI 1995 air releases greater than 10,000 lb
Air_GT20k	Total TRI 1995 air releases greater than 20,000 lb
Air_GT100k	Total TRI 1995 air releases greater than 100,000 lb
Corr12Par	Facility falls in one of the 12 Industrial Parishes
Corr3mi	Facility falls in the 3 mile Mississippi River Zone (West Feliciana to Plaquemines).
112R	Facility listed in the 112R list from LDEQ.
